

# DA BOMB SPONSORSHIP !!

So you interested in Da Bomb sponsorship? You think this would be just a walk in the park! Keep dreaming! Da Bomb riders are trained mercenaries from the boot camps of the North! Characteristics of a highly trained mercenary include unmeasurable professionalism and a cut throat win-at-all cost mentality. If you have all that plus the confidence to kick ass at races or on the street, then please fill out the following info sheet.

Don't leave anything out. If you want to be a sponsored mercenary you also should provide sponsorship support material. This includes; photos, videos, bribes, proposals, bribes, nuclear bombs, knives, bribes, guns, machetes, bazookas, bribes or any other weapons of mass destruction.

We review our sponsorship placements and budget annually from September to November. Application deadline is the **1st of every November**.

Usually you will get a reply from me by early December however it could be a bit earlier or later depending on the number of applications we receive.

I wish you the best of luck and I look forward to receiving your complete sponsorship package.

Cordially,  
Corporal  
Matthew Lai
